HENRY BROWN. DANGEROUS. The chief danger from Dyspepsia is that the reduced strength of the system may disable it from surmounting other intercurrent diseases. Sympathetic affections of the liver and lungs often have their origin in Dyapupsia, and may become organic diseases and constitute not only a source of inconvenience but danger. Hence, the sooner treatment is commenced after the first symptoms of Dyspepuis are manifest with more certainty can the disease be thoroughly expelled. Do not delay to seek advice from unwarranted sources, but procure Roback's Blood Pills take them in small doses to stimulate the stomach and intestines and gently act upon the liver. Then take Roback's Stomach Bitters regularly after each meal to tom the atomach and assist the digestive appara tus, and you will find the relief will be al most immediate and the cure like magic The Bitters should be continued for a while after all symptoms of the disease have disaperave defender, who, whother on the fields of peared. These medicines are prepared with fexico, or in the late struggle in our own countries the atmost care of materials baying especial the atmost care of materials having especial reference to diseases of the blood and inter and organs, and can at all times with confianded in the East and occupied positions of trust dence be relied upon. Herabiser & Myers, and his family a kind husband, father and procole agents, Tiffin, O.

SEWING MACHINE

THE VERY BEST !

G. H. WILSON, Agent, Tiffin, O.

N directing stiention to our collaborated Com-bination Busine-Hole Sewing Machine, we be aske to refer to its wonderful popularity as con-unive proof of its mont. It has no equal, being absolutely the best Far y Machine in the murket, and intrinsically in-

ily Machine an Shermarkot, and intrinsically the cheaper.

Ris really the machines countaged is one—by a simple onto beautiful mechanical arminement is write before accomplished by human ingenity—making both the Shuttle of Loric-Sittoh, and the Over-Seaming of Entton-Hole Sittch, and the Over-Seaming of Entton-Hole Sittch, with equal precision and perfection.

All kinds and varieties of sawing that is or can be done, is accomplished by the machine.—It has no rival in its celefyinged Giver-Enging tition, by which edges of different fabrics are sawn logginger as if hy hand.

It has no rival in its button-hole insking and improvidering on the digs.

We warrant every machine we sell to give emitty satisfaction. Before purchasing elsewhere we salvise affice call and acc it. Price 970.

Also, Agent for lamble Shitting Machine.
